(Subject to Change)

The official event patch (mailed to each competitor in the 2019 Acceptance Packet) must be displayed on the upper left breast portion of the competitor's suit, outer racing garment and/or protective gear. No other patches will be displayed on that portion of the competitor's suit except as approved by the Director of Competition.

The patch may be taped or sewn in a reliable manner and must be displayed at all times racing gear is worn on the mountain. No other patches will be given during the registration process. It is the competitor's responsibility to ensure this official event patch is appropriately displayed prior to Race Week.

This is mandatory per the 2019 Rule Book (Section 100 – Car Safety and Construction, Rule 113 and/or Section 1000 – Motorcycle Safety and Construction, Rule 1002.1).
