- In order to ensure all Rookie competitors complete Technical Inspection by 10:00am, Monday, June 24th, the following procedure is recommended:
 - **Car Competitors** must arrive at Technical Inspection with full race suit and safety gear. Upon arriving at Tech, competitors should go directly to the scales with their gear (even if the car is still in line) and be weighed separately from their vehicle. - The Rookie Orientation Session is limited to Rookie competitors only. No media, crew, friends or family will be allowed to attend. Failure to comply or attend may result in penalties.
- The mandatory Rider/Driver meetings will be limited to competitors and owner/crew-chief. The meetings are closed to family members, spectators and the media. Failure to comply or attend may result in penalties.
- Any competitor who fails to attend the mandatory rider/driver meeting at 4:30pm at Hotel Eleganté on Monday, June 24th, will not be allowed to practice or qualify until they are authorized to do so by the Director of Competition, Assistant Director of Competition, or a designee.
