The Broadmoor Pikes Peak International Hill Climb
brought to you by Gran Turismo**

The Pikes Peak Auto Hill Climb Educational Museum, Inc., (PPAHCEM) is a non-profit 501 (c) (3) organization. It is also referred to as the Pikes Peak International Hill Climb (PPIHC) or (Event).

As a competitor and/or owner I hereby acknowledge that I have read the Pikes Peak International Hill Climb's 2018 Rule Book and understand its contents. I further agree, as a condition of being allowed to participate as a competitor and/or owner, to abide by these Rules and by all decisions of the Director of Competition, Race Director, and/or other race officials of the Pikes Peak International Hill Climb. I further agree that all decisions made in accordance with the 2018 Rule Book shall be final and non-appealable, unless the same shall be arbitrary and capricious, which determination I hereby agree shall be made only by the Pikes Peak International Hill Climb Board of Directors. Their decision shall be final and non-appealable, and their determination shall be limited to making a finding that the final decision made pursuant to the 2018 Rule Book was, or was not, arbitrary or capricious. If the decision is found to be arbitrary or capricious, the decision shall be overturned and resubmitted to the appropriate Pikes Peak International Hill Climb authorities for redetermination under the 2018 Rule Book.

As a competitor and/or owner I hereby acknowledge that I have read all Pikes Peak International Hill Climb 2018 Bulletins, Addendums and Policies and understand their contents. I further agree, as a condition of being allowed to participate, as a competitor and/or owner, to abide by the rules and guidelines outlined in the contents.

By accepting an invitation to participate and/or taking part in any activity relating to the Event, I agree to abide by the decisions of the officials and supervisory officials relating to the Event, or any matters arising out of the Event, and agree that such decisions are final, non-appealable and non-litigable, except as provided in the General Competition Rules section of the 2018 Rule Book, Part X – Penalties; Part XI – Protests and Part XII – Appeals, or as stated above.

As a competitor and/or owner, I further agree to inspect the racing area to ensure that it is in a safe, raceable and useable condition, and acknowledge that the competitor and/or owner voluntarily assumes the risk, and has no claim for damages against the PPAHCEM, PPIHC, subsidiaries, affiliates, event participants, sponsors, sanctioning bodies, and any of their employees, agents, officers, volunteers, directors, and others affiliated with the event by reason of damage to the vehicle, the participant, the team, crew or any other person. All participants assume full responsibility for any and all injuries sustained, including death and property damage, any time they are in the racing area or en route thereto.

The risk of serious injury or death cannot be eliminated and, in fact, will always be present at a high level. Competitors (drivers/riders) are required to advise their spouses and next of kin of this fact. Although safety generally is everyone's concern, the PPAHCEM cannot be and is not responsible for all or even most aspects of the safety effort. The PPAHCEM does not make any representation or warranties of responsibility to ensure the adequacy for purposes of safety of the racing facility, safety personnel or equipment, or conditions at the track. The PPAHCEM cannot and will not be responsible for the adequacy of a competitor's race car/race motorcycle, racing equipment, or racing activity to accomplish this purpose.
