

## 2019 Request for Invitation Checklist

As you prepare to complete and submit the Request for Invitation documentation via the PPIHC website, the following items will be required for upload when you submit your request. All documentation must be submitted by 5:00pm MST on January 4, 2019 for the Selection Committee to consider your request. The Selection Committee will be limiting the 2019 invited field to approximately 100 competitors. The field will be identified during the selection process. All competitors must complete the Request for Invitation, and provide all of the below information, in order to be considered for an invitation.

Completed Request for Invitation (online submissions only)

Payment (due with Request for Invitation)

Fee for the 2019 PPIHC is \$2,250 per entry. If you do not receive an invitation to compete in the 2019 race, your payment will be refunded.

Photo of Vehicle (due with Request for Invitation)

All competitors must submit a photograph or rendering of the vehicle as it is to be raced.

Upload this with your completed Request for Invitation. Acceptable photo examples can be found [HERE](#). (If your vehicle is new to Pikes Peak, please upload any additional photos of your roll cage and/or vehicle building processes. This will help the Selection Committee when reviewing your vehicle entry.)

Racing Resume/Expert Licenses (due with Request for Invitation)

All competitors must upload their official racing resume with their Request for Invitation. The Selection Committee will base their evaluation upon the vehicle information provided AND this racing resume. The resume must include PPIHC racing history for all veteran PPIHC competitors. Example of a racing resume can be found [HERE](#). Resumes must include current professional racing licenses held by the competitor.

Racing References (due with Request for Invitation)

All competitors must submit three references who can verify your professional racing history and background with the Request for Invitation. All references must include: name, relationship to competitor, e-mail, and phone number.

Head Shot/Personal Photograph (due with Request for Invitation)

All competitors must submit/e-mail a headshot with the entrant's face clearly visible. No selfies are allowed. Photographs including helmets and/or props are not allowed. The ideal size of the photo is 5" x 7" with a resolution of at least 360 X 504 pixels. Lower resolution images will appear blurry in the race program. Acceptable photo examples can be found [HERE](#).

(continued)

-----**Rookie Motorcycle Competitors Only**-----

Proof of Expert License (due with Request for Invitation)

All rookie riders must submit a current Expert or Professional License from a recognized motorcycle racing organization with their Request for Invitation. Applications will not be considered complete until a license is received. (PPIHC Race Officials may make exceptions to this rule for divisions where Expert or Professional Licenses are not applicable.)

-----**Division/Fuel-Type Specific Entries**-----

When completing the Request for Invitation, the following Division-specific information is required:

Vehicles originally built for Pikes Peak's traditional dirt racing surface (due with Request for Invitation)

Vehicles originally built for Pikes Peak's traditional dirt racing surface will be required to list all modifications that have been made to make the vehicle suitable to race on the current paved surface.

Exhibition/Exhibition Powersport (due with Request for Invitation)

Vehicle Description

Electric Powered Motorcycles and Cars (due with Request for Invitation)

All electric vehicle entries must be accompanied by the MSDS information for all batteries that are considered hazardous or toxic.
