(Subject to Change)

Per the 2021 Rule Book (Section 100 – Car Safety and Construction, Rule 113. – Competitor Uniforms), all competitors must display one of the following on the upper left breast portion of the competitor's suit, outer racing garment and/or protective gear.

- 2021 PPIHC Competitor Patch (included in 2021 Acceptance Packet)
- Dated 2021 PPIHC logo (request logo file from josh@ppihc.org)
- Non-dated PPIHC logo (request logo file from josh@ppihc.org)

The patch must be adhered or sewn in a reliable, professional manner and must be displayed at all times racing gear is worn on the mountain. No additional patches will be distributed during the registration process. It is the competitor's responsibility to ensure the Official Event Patch is appropriately displayed prior to Race Week. Please see the below picture example of correct patch placement for reference.

If you have more than one suit, each will need to have an Official Event Patch. This will be checked at Technical Inspection, where you are required to present all suits you plan to wear throughout the week. Competitors may be fined if their patch is in the improper place or not present at any time during Race Week, Practice, Qualifying and/or Race Day.
