(Subject to Change)

Time Attack 2 Production Record Attempt

Regardless of the division entered, competitors must adhere to the Time Attack 2 Production rules (i.e. fuel cell, DOT Tires, airbag disabled/removed, etc.) if they intend to compete for the Time Attack 2 Production record.

Competitors must declare their intent to make a record attempt in Time Attack 2 Production prior to August 1, 2020 by informing both Megan Leatham, Executive Director at Megan@ppihc.org, and Dan Skokan, Director of Competition at dskokan@ppihc.org.

The Time Attack 2 Production rules are found on pages 58-64 in the 2020 PPIHC Rule Book.

Current Time Attack 2 Production Record:

2019 – Rhys Millen – 2019 Bentley Continental GT – 10:18.488
--

Acknowledged Non-Division & Class Record Attempts

If you are interested in running for any record listed under “Acknowledged Non-Division & Class Records” found [here](#), please contact the PPIHC by August 1, 2020. We will provide you with rules and compliance standards so we may determine your eligibility to attempt a specific record.

If you have any vehicle eligibility questions, please contact Dan Skokan, Director of Competition at dskokan@ppihc.org.
