(Subject to Change)

For 2021, Technical Inspection and Registration will be held on Monday, June 21st at The Broadmoor World Arena at [3185 Venetucci Blvd, Colorado Springs, CO 80906](#). (See map at the end of this bulletin.)

All competitors must complete Registration at their designated time before proceeding to Technical Inspection.

All personnel attending any PPIHC event and/or Technical Inspection agree to abide by current COVID restrictions and regulations in force at that time. These may include wearing face coverings or masks, social distancing or other measures mandated by federal, state or local agencies.

Registration/Crew Credentialing Schedule and Information

Prior to Registration, competitors MUST reference bulletin *008 – 2021 Accepted Competitor Forms Checklist*, for a list of documents and tasks to be completed prior to Registration and those to be completed at Registration. View bulletin 008 [HERE](#).

NEW FOR 2021 – REGISTRATION LOCATION: Registration will take place inside The Broadmoor World Arena. Enter through Gate B.

For the 2021 event, each driver will be given one (1) Competitor Credential and up to four (4) free Crew Credentials. Each competitor is then allowed to purchase additional Crew Credentials for \$75 each – these can either be paid for onsite at Registration, or in advance [HERE](#). It is preferred that all crew members register and sign the online waiver [HERE](#) prior to Registration. There will be no Crew Credential sales after Registration on Monday, June 21st.

Deadline for submitting online crew waivers / credential requests is Monday, June 21, 2021 at 2:30pm MT.

Crew members are not permitted to pick up Crew Credentials. Competitors must pick up and

distribute all Crew Credentials listed under their name – be sure your crew signs the online waiver so the credentials can be released to you.

Again, all Competitors must complete Registration at their designated time before proceeding to Technical Inspection.

Competitor Registration Schedule:

- 8:00am - 8:45am – Porsche Pikes Peak Trophy by Yokohama
- 8:45am - 9:30am – Unlimited
- 9:30am - 11:00am – Time Attack #1
- 11:00am - 12:30pm – Pikes Peak Open
- 12:30pm - 1:30pm – Open Wheel
- 1:30pm - 2:30pm – Exhibition

NEW FOR 2021 – ONSITE HEALTH SCREENING:

- After all documents have been verified and competitors have received their information packet and credentials, Registration officials will direct competitors to proceed to the Competitor Health Screening area (inside the arena, next to the Registration area) to complete a health screening. This screening will be performed and signed by a UC Health physician.
- Once the health screening has been completed, each competitor will receive their Tech folder.
- This folder must be presented at Technical Inspection. Competitors will not be allowed to begin Technical Inspection without their Tech folder in hand.

Technical Inspection Information and Schedule

PPIHC is excited to announce that [Rehv's TechWorks](#), is returning for Technical Inspection in 2021. This software allows the PPIHC (or other racing series) to streamline race vehicle inspections and verify compliance with series standards. From preliminary compliance to post-race checks, TechWorks allows tech teams to enter and verify every spec in real time, using mobile, state-of-the-art tools. The PPIHC will continue using this strategy and software for the 2021 Technical Inspection and Event.

Technical Inspection Reminders

- Competitors will not be able to go through Technical Inspection without first completing Registration.
- Prior to Technical Inspection, all competitors will be mailed a Gran Turismo windshield/helmet visor banner. All competitors/entries will be responsible for the application of the Gran Turismo banner in the specified location before receiving an Official 2021 PPIHC Tech decal. All competitors entered in the 2021 Broadmoor Pikes Peak International Hill Climb, brought to you by Gran Turismo, will be required to display this Gran Turismo banner on their vehicle and/or person during all Testing, Practice & Qualifying sessions and on Race Day.

- All 2021 PPIHC Bulletins can be found [HERE](#)
- Tech Sheets detailing items to be checked during Technical Inspection, can be found [HERE](#)
- All teams must have the ability and be prepared to raise their vehicle upon request during Technical Inspection.
- All competitors in 2021 will be required to present tires appropriate for all possible weather conditions on Pikes Peak (including wet roads and cold temperatures) at Technical Inspection. Full sets of all tires must be presented at the scales.
- Only one race vehicle will be inspected during Technical Inspection. No backup vehicle inspections will be conducted at that time.
- If you have more than one racing suit, each will need to have the Official 99th Running Event Patch or other acceptable embroidery referenced in bulletin *003 – 2021 PPIHC Competitor Patch Information* [HERE](#). This will be checked at Tech Inspection where you are required to provide all suits you plan to wear throughout the week.
- Each participant is required to reserve a space on the front left and front right side of the vehicle for Official 2021 PPIHC Tech Decals noting that the vehicle has passed the Technical Inspection requirements. These decals must be displayed at all times while participating in Race Week activities. See Diagram A, page 75, in the [2021 Rule Book](#).
- All vehicles need to have the ability to move under their own power when requested.
- All ticketed or credentialed personnel attending any PPIHC event to include Technical Inspection, Practice and Qualifying sessions and Race Day agree to abide by current COVID restrictions and regulations in force at that time. These may include wearing face coverings or masks, social distancing or other measures mandated by federal, state or local agencies.
