(Subject to Change)

The Broadmoor Pikes Peak International Hill Climb, brought to you by Gran Turismo, is pleased to once again offer the Special Mentor Assisted Race Training Program (SMART). Originated by former competitors, the SMART Program is designed to provide resources and mentors for rookie competitors in the 99th running of the Pikes Peak International Hill Climb.

A letter from the SMART Program team can be found [HERE](#)

An outline of the SMART Program can be found [HERE](#)

The SMART Program team has compiled resources for all competitors, which are posted on the PPIHC website and can be found [HERE](#)

IMPORTANT MESSAGE:

The resources are suggested by the SMART managers, coaches, other race teams and their sponsors; these products and suggestions should not be taken as an official endorsement by the PPIHC organization.
