- One Gran Turismo helmet visor banner

### **Competitors/Entries that do not meet the parameters of these specifications**

- Decided on a case-by-case basis

### **\*NOTE:**

- Any competitor failing to display the Gran Turismo windshield/helmet visor banner will not be eligible to take a green flag.
- No other decals/commercial branding may be displayed on the windshield/windscreen.
- No modifications may be made to the Gran Turismo image/brand markings.
- An alternative form of representation may be arranged with the PPIHC's Race Director in cooperation with our partners from Gran Turismo if the banner causes visual impairment.
- **We are pleased to offer a bespoke white windshield banner from our partner, Gran Turismo, to exclusively honor current Pikes Peak Hill Climb Hall of Famers who return to competition on America's Mountain. These competitors have proven themselves worthy of Hall of Fame status, and we are pleased they have chosen to build upon that legacy.**
