

2020 PPIHC Oxygen Prescription Order Process

The PPIHC does NOT require competitors to run oxygen while competing in any PPIHC sanctioned events. However, if competitors are interested and need to get a prescription/oxygen, below are the steps:

Step 1:

Email Gary Klein M.D. (garyklein911@msn.com) your name and include that you are a PPIHC Competitor needing oxygen. He will then call AeroCare and authorize your prescription over the phone.

Step 2:

Go to AeroCare's location at the below address to pick up your oxygen.

AeroCare Colorado Springs:

5620 North Union

Colorado Springs, CO 80918

Phone Number: 719-475-1236
